Fellow LIHEDEANS;

It has been a long time since the entire Diaspora Planning Committee met to discuss the overall planning of the National Health Conference slated to be held in Liberia on December 14-19, 2006. Although the subcommittees appointed have been holding consultative meetings and implementing decisions to move the planning process forward, it is now imperative for all members of the Diaspora Planning Committee to reconvene for important updates and progress reports to ensure a successful hosting of the Conference, thus far.

You are therefore invited to attend a Teleconference on Sunday, June 18, 2006 at 6pm. Please see below the **Agenda** for the Conference. Please make plans to attend and provide your inputs as we conclude the planning process and prepare to release final information on the entire conference, including Schedule of Activities, Presenters, Travel Arrangement and LIHEDE's delegation to the Conference.
